Free Document Shredding Event

The Beaverton Police Department will be providing a free document shredding event on Saturday, December 10, 2016, from 10:00 a.m. to 1:00 p.m. This event will be held at the Sunset Presbyterian Church located at 14986 NW Cornell Rd. Portland Oregon 97229.

Identity theft and fraud crimes continue to be of great concern for all of us. The City of Beaverton would like to help you avoid becoming a victim of identity theft and fraud, by keeping your personal information away from the hands of identity thieves. One of the methods identity thieves use to steal your information is combing through recycling and garbage for sensitive information that has been thrown away.

The Beaverton Police Department recommends and encourages the community to use a shredder (preferably cross-cut) for sensitive documents, such as credit card statements, financial statements, pre-approved credit card offers, old IRS tax forms, bank checks, household bills, and other documents that may contain sensitive information.

Shred-it will be on site with two commercial-sized shredding trucks for this event. Items no larger than staples and paper clips may be attached to the papers. Because of the popularity of this event each vehicle will only be allowed THREE BANKER STYLE BOXES of documents to be shredded.

This event is not for business documents. It is for personal documents only that contain personal information that if thrown out could lead to identity theft.

Service will be on a first come, first served basis and limited to the capacity of the commercial sized shredding trucks from Shred-it. We apologize in advance for any inconvenience this may cause should the capacity be reached. Participants are encouraged to donate canned food to the Oregon Food Bank at the shredding event. Volunteers will be on site to accept these food donations.

Please do not contact Sunset Presbyterian Church with questions about this shredding event. All information related to this event is posted on the Beaverton Police Department's web page and Facebook page.
