Released: January 17, 2017
Case No: N/A

Free Child Safety Seat Clinic

Each year thousands of young children are killed or injured in car crashes. The proper installation and use of car seats will help keep children safe.

The Beaverton Police Department, in a partnership with Safe Kids Coalition-Washington County and the Kuni Auto Center, will be offering a free child car seat clinic. The clinic will be held on Saturday, January 21, 2017 at the Kuni Auto Center located at 3275 SW Cedar Hills Blvd. Beaverton Or, 97005. The clinic will run from 9:00 a.m. to 12:00 p.m.

A certified technician will help parents and caregivers learn to install and use their child safety restraints properly. No appointment is required, just drop by during the event. Each car seat check will take about 30 minutes. The last car will be accepted at 11:30 a.m. unless demand necessitates an earlier cut off time.

As part of the clinic, parents are urged to register their car seats by mailing in the consumer registration card or by using manufacturer's website. By registering your car seat, the manufacturer has the ability to contact consumers about recalls and safety notices.

As a parent, you are your kids' strongest influence when it comes to modeling safe driving practices, including buckling up every time you get in the car. Teach your family that safety is the responsibility of all passengers as well as the driver.
