Missing Endangered 13 Year Old Female

On Thursday May 12, 2016 at approximately 6:30 p.m. Beaverton officers responded to 12030 SW Fulmar Terrace on a report of a missing 13 year old. It is believed that she had runaway and might be in danger.

Officers spoke to the father of the missing child who is identified as Madison Taussig. Madison is describes as 5'3" tall, 95 pounds, hazel eyes and long brown hair. Madison was seen on video leaving her house at 12:25 p.m. on May 12th. She was wearing all black and left riding a dark colored mountain bike.

There are concerns that Madison might be trying to travel to another state to meet an adult male she has been chatting with on Xbox Live. The last known location for Madison's cell phone was in Wilsonville last night.

If you have seen Madison or have any information that can help in locating her, please call the Beaverton Police at (503) 629-0111.
