Traffic Stop Leads to Arrest of Two for Drug Trafficking

On Wednesday, August 3, 2016 Beaverton Officers began an investigation of suspicious activity at the Pepper Tree Motel. There were two men staying in a room that had been loading large amounts of items from the room into a vehicle.

It was original thought that the two people staying at the motel were involved in credit card fraud. A traffic stop was made yesterday at about 11:00 a.m. and it was determined they were actually involved in the drug trade.

After searching the vehicle, over 25 pounds of drugs, money and a loaded hand gun were found. There was 4.5 pounds of marijuana, 16.5 pound of marijuana laced edibles, 108 packages of marijuana laced cool-aid mix, over 3.5 ounces of heroin, an ounce of meth and an ounce of cocaine. Some of the drugs were located inside of footballs that had been re-stitched closed.

The two occupants of the vehicle are identified as Markice Terrell Hall, 40 years of age from Seattle and Aaron Hibbler, 31 years of age from St Louis. Both Hall and Hibbler were arrested and lodged at the Washington County Jail on a variety of felony and misdemeanor charges.

This is a great example of how your police department is working with local business to keep our community safe.
