Released: August 18, 2016
Case No: N/A

Pedestrian Safety Detail

The Beaverton Police Department will be conducting a Pedestrian Safety Detail on Monday, August 22, 2016 between the hours of 12:00 p.m. and 4:00 p.m. The detail will be conducted in the area of SW 125th St. and SW Brockman St at the Fanno Creek trail. This is near Southridge High School and is a crosswalk used often by children.

This detail will focus on vehicles failing to stop and remain stopped for pedestrians in a crosswalk. Motorists are reminded it's your lane plus six feet. Stop for the pedestrian, who must clear the lane you're turning into and at least 6 feet of the next lane, before you proceed.

The primary focus of this detail is to raise pedestrian safety awareness. Through the use of a decoy pedestrian, the Beaverton Police Department hopes to raise the awareness of drivers and pedestrians through education and enforcement of pedestrian right of way laws. Pedestrians are also reminded to wear bright colors and pay attention to the traffic flow when preparing to cross the road. Pedestrians are also required to obey any traffic control device that directs the pedestrian's movement.

In our continued effort to provide options other than the standard citation, drivers receiving citations are given the option of taking a crosswalk diversion program hosted by the Beaverton Police Department.
