This Labor Day, Remember: Drive Sober or Get Pulled Over

This Labor Day weekend, families and friends will be celebrating the end of the summer. Sadly, this festive time has also become a dangerous time for America's roads, as many drunk drivers get behind the wheel after celebrating. For this reason, the Beaverton Police Department is partnering with the National Highway Traffic Safety Administration to stop drunk drivers and help save lives.

The high-visibility national enforcement campaign, Drive Sober or Get Pulled Over, started on August 19, 2016 and will end on September 5, 2016. During this period, local law enforcement will show zero tolerance for drunk driving. Increased state and national messaging about the dangers of driving drunk, and increased officers on the road, aim to drastically reduce drunk driving on our nation's roads.

According to NHSTA, on average, over 10,000 people died each year (2010 to 2014) in drunk-driving crashes. During the 2014 Labor Day holiday weekend (6 p.m. August 29 – 5:59 a.m. September 2), 40 percent of the fatalities in traffic crashes involved drunk drivers, which was the highest percentage over the five years 2010 to 2014. And nighttime proves to be the most dangerous time to be out on the roads: During the 2014 Labor Day holiday period, 83 percent of drunk-driving crash fatalities occurred between 6 p.m. and 5:59 a.m. – as compared to half of all drunk-driving crash fatalities throughout the rest of that year.

Remember: there is never an excuse to drink and drive. If you choose to break the law, Beaverton Police officers will see you before you see them. Drive Sober or Get Pulled Over.
