Can you please help us identify a pedestrian that was struck by a car?

At approximately 7:33 a.m. this morning Beaverton Officers were dispatched to an automobile vs pedestrian crash. This crash occurred in the area of NW Fieldstone Dr. and NW Fall Ave.

We need the public's help in identifying the victim. The pedestrian was not carrying any identification and was taken to a local hospital.

The pedestrian is a male between the ages of 60 to 70, grey hair, pale skin, approximately 5'9" and 140 to 150 pounds. He was wearing tan shorts, grey T-shirt and the red ball cap that has Seaside Oregon on it (pictured below).

We believe he lives in the area and might have been out for a morning walk. If you have any information that will help in his identification, you are asked to call the Beaverton Police at (503) 629-0111.
