### **Four Local Restaurants Burglarized**

Over the last two days, the Beaverton Police Department has responded to four different burglaries at local restaurants. All of the burglaries occurred in the early mornings and entry was made by breaking glass windows or doors. The suspect would then enter the business and head to the office to look for cash.

We have evidence that links the same suspect to all four of these burglaries and are asking for your help in identifying him. The suspect is a thin, white adult male with a large nose and drives what looks to be a silver or gray Volkswagen Passat that is missing the left front hubcap. The suspect has done his best to hide his identity during the burglaries by wearing gloves, hat and covering the lower portion of his face.

If you know who the subject is in this photograph or have seen this car you are asked to call the Beaverton Police Department at (503) 629-0111 and reference case number 17-1500177.
