28 DUII Arrests Made During the Month of September

The Beaverton Police Department is participating in a yearlong National Traffic Safety Campaign. The focus of this campaign is taking impaired drivers off our streets and keeping Beaverton a safe city to travel and live.

Officers were out on targeted patrols for impaired drivers during the month of September and made 28 DUII arrests. During the month of October, officers will continue their efforts to take impaired drivers off the streets of our no refusal city.

This High Visibility Enforcement (HVE) detail was paid for by grant funds. So far this year Beaverton Police Officers have taken 240 impaired drivers off of Beaverton streets. 34 of these 240 subjects refused a breath test and a warrant for a blood draw was granted.

Drunk driving, impaired driving or buzzed driving all have the potential to claim lives and often will result in jail time.

The men and women of the Beaverton Police Department ask you to please think about this before you operate a motor vehicle after drinking alcohol or using any other substance that impairs your ability to operate a motor vehicle safely.
