

JOIN US FOR A CUP OF COFFEE ON US!

Police officers and community members come together in an informal, neutral space like this location to discuss community issues, build relationships, and drink coffee. In over 80 cities in 24 states, *Coffee with a Cop* has done wonders for community trust and partnership building. One of the keys to *Coffee with a Cop's* success is that it removes the physical barriers that routinely exist between police officers and community members. Informal contact in a friendly atmosphere increases trust between police officers and the members of our community which is critical to public safety and problem solving.
