Four Arrested In A Stolen Vehicle

On March 29th, 2018 at 1:40 pm, Beaverton Police officers arrested four adults in a stolen vehicle after two of them were seen stealing power tools from Home Depot.

At 1:36 pm, a Home Depot loss prevention employee reported two adults had stolen power tool sets. The loss prevention employee told officers the suspects left in a vehicle and was able to provide officers with a license plate and description of the vehicle. Officers in the area were able to find the vehicle a block away from the store. The vehicle, a red 1999 Honda Civic, was stolen in Portland on March 28th. The ignition of the vehicle was destroyed which allowed the vehicle to be driven without a key.

Officers found \$1453 dollars worth of stolen merchandise inside the vehicle that included DeWalt power tools, DeWalt power tool combo kits and Milwaukee power tool combo kits. Officers also found evidence of identity theft.

The four suspects found in the stolen vehicle were 28-Year-old Michael Jensen, 33-Year-old David Moriarty, 25-Year-old Jodi Griffith and 40-Year-old Julie Scott.

Julie Scott was charged with Theft in the First Degree and 8 counts of Identity Theft. David Moriarty was charged with Theft in the First Degree and 2 outstanding warrants. Jodi Griffith was charged with 1 outstanding warrant. Michael Jensen was charged with Theft in the First Degree and Unauthorized Use of a Vehicle.
