Released: August 3, 2018  
Case No: N/A

### Traffic Safety Mission

On Monday August 6, 2018, our traffic safety team will conduct a crosswalk/pedestrian safety mission on SW Watson Ave/ SW 10th. The traffic team will focus on drivers who do not stop for a pedestrian in the crosswalk.

Crosswalk rules can be confusing depending on the type of intersection. Beaverton Police Department teaches a one hour crosswalk diversion class, which once completed, allows the dismissal of any crosswalk citations that may be issued. Please always watch for pedestrians in crosswalks.
