

# BEAVERTON POLICE DEPARTMENT

## MISSION STATEMENT

To protect with courage. To serve with compassion. To lead with integrity.

## VISION STATEMENT

The Beaverton Police Department will provide a safe city, serving community members with compassion and respect. We are fully invested in leading our profession with integrity, building and retaining a highly trained, well equipped, progressive, motivated and cohesive team. We will strive to be recognized and respected as a leading agency in the law enforcement community.

## CORE VALUES

**Altruism** – We will continue our deliberate pursuit of unselfish and compassionate concern for the welfare of others.

**Courage** – We will have the strength to respond to situations when it is difficult or risky.

**Integrity** – Our actions will be moral, ethical, legal and consistent.

## ACKNOWLEDGMENTS

The members of the Beaverton Police Department thank our city leaders and community members for their support. The partnerships that exist between the Beaverton community and police are vital to preventing and solving crimes and preserving a safe and desirable living environment for all to enjoy.

31 Supporting Our Community & Acts of Kindness

# LETTER FROM THE CITY MANAGER

It has been amazing to see our community rebound with excitement and positivity after several past years of uncertainty. This holds true for the talents and efforts of the officers and staff of the Beaverton Police Department who have worked tirelessly to keep our city moving forward.

I especially want to recognize Chief Stacy Jepson for her leadership. During her first year with Beaverton, I have witnessed renewed interest in transparency, equity, and trust within our community—all while keeping the safety of our residents and guests at the center of all that we do.

Our operations, administrative, and services teams work together to maintain shared commitments to courage, compassion, and integrity. In addition to daily calls for service, emergency response, and enforcement, our officers and staff go further by providing victim support, education, and community engagement within all our neighborhoods.

This has been a year of ongoing resolve with our response to people experiencing homelessness. The city has initiated new strategies to support residents and businesses, increased outreach and assistance, and continued development of our first year-round shelter that is planned to open in summer 2024. Our officers are first in line sharing resources and helping those in need find shelter, mental health services, financial aid, transportation passes, and much more. The help being offered has undoubtedly saved lives as we make progress on this complex and critical topic.

I also was particularly proud of the Beaverton Police Department's investigation into the trafficking of stolen catalytic converters that led to the indictment of more than a dozen individuals on charges of racketeering, aggravated theft, and money laundering. The investigation resulted in the seizure of more than 3,000 catalytic converters and disbanded a crime ring that spanned across Oregon and reached into the states of Washington, Nevada, California, Texas, and New York. This remarkable outcome received national attention and put an end to years of criminal activity that is believed to have trafficked more than 44 thousand stolen catalytic converters with an estimated street value of \$22 million.

I want to thank each and every one who has contributed to these combined achievements and invite our community members to review this annual report to learn more about the important work happening.

I feel honored to serve as your City Manager and extremely proud of this year's accomplishments.

Jenny Haruyama  
City Manager

# LETTER FROM THE CHIEF

I am honored to present the Beaverton Police Department Annual Report for the year 2022. As your newly appointed Chief of Police, I am privileged to serve this remarkable community, and do it alongside some of the most talented police officers and professional staff this profession has to offer. It is with great pride that I share with you an overview of our accomplishments, challenges, and progress over the past year.

What is difficult to highlight in this report are some of the most demanding and difficult things our officers are faced with. These things are more impactful than a simple data point. Recently we have seen a remarkable increase in drug overdoses due to the surge of opioid drugs, as well as a significant increase in calls related to people experiencing mental health challenges. These encounters require a specialized skill set and a compassionate approach. Our officers often find themselves as the first responders in these situations, dealing with individuals who may be in crises, or posing a risk to themselves or others.

As we work to address these challenges, we must prioritize training and resources that equip our officers with the tools to handle mental health-related calls effectively. Our partnerships with mental health professionals and community organizations are also crucial, as they can assist officers on scene and help connect individuals with appropriate resources after an incident.

Furthermore, this report delves into the efforts we made to strengthen community relations and build trust through events such as Beaverton Pride Parade, Beaverton Night Market, National Night Out, Shop with a Cop, and Ladies in Blue. We firmly believe that public safety is a shared responsibility, and we actively seek your input and participation to make our community even stronger.

The foundation of our police department is built upon the principles of trust, transparency, and collaboration. A fundamental component of each of these principles is attached to the health and wellbeing of our police employees. One of my biggest priorities is nurturing a culture of compassion, resiliency, and connection.

In closing, I would like to express my gratitude to the dedicated men and women of our police department for their heartfelt service to this community. I would also like to extend my appreciation to our community members, whose continued support plays an integral role in ensuring our success.

Thank you for entrusting us with your safety, and I invite you to read the following pages to gain a deeper understanding of the work we accomplished together in 2022.

Stacy Jepson  
Beaverton Police Chief

# POLICE DIVISIONS

In 2022, the Beaverton Police Department went through a reorganization. BPD's organizational structure now reflects four major divisions:

## OFFICE OF THE CHIEF DIVISION

The Office of the Chief Division provides the overall direction of the department. The Police Chief oversees public information and outreach, finance and administration (e.g., strategic planning, budgeting, policy, payroll, accreditation, purchasing, grant management, and liquor licenses), the Chaplain program, and labor relations.

## PATROL DIVISION

The Patrol Division is the largest division of the department and makes up the majority of police employees, including a total of 107 sworn and civilian personnel. The Patrol Division oversees patrol (including scheduling, fleet, communications, and temporary holding facility), Community Service Officers (CSOs), specialty teams (e.g., Traffic Team, K-9 Unit, TriMet, Bicycle Team, Tactical Negotiations Team, and Crisis Negotiations Unit), and Photo Enforcement.

## SERVICES DIVISION

The Services Division employs a total of 39 sworn and civilian personnel assigned to Community Engagement (e.g., the Youth Services Officer (YSO) program, community outreach, Mental Health Response Team (MHRT), and the Volunteer program), Training, Police Records, Logistics, Employee Wellness, and the Alarm program.

## INVESTIGATIONS DIVISION

The Investigations Division is comprised of Criminal Investigations, Family Violence Unit, Victims Services, Property and Evidence, Professional Standards (including recruitment and hiring), drug team, threat mitigation, and crime analysis. The Investigations Division is made up of a total of 32 sworn and civilian personnel.

**DEDICATED TO  
YOUR SAFETY**

POLICE DIVISIONS

# PATROL DIVISION

The Patrol Division serves five districts in the City of Beaverton and is the most visible unit in the BPD. These highly trained officers handle day-to-day calls for service, emergencies, and most preliminary criminal investigations. The Division is committed to providing a safe and livable community by enforcing laws and utilizing and coordinating patrol and investigative resources to proactively reduce the opportunity for criminal activity.

BPD continues to work with city and county partners to address homelessness and provide assistance and resources. Mental and behavioral health calls continued to be time-consuming activities for officers. The police department continued its expanded capacity in serving individuals in mental health crisis as part of its partnership with the county-wide Mental Health Response Team (MHRT). The MHRT provides long term solutions and resources for individuals experiencing mental health illness, and ultimately helps reduce officer time and resources spent on repeat calls for service involving individual community members.

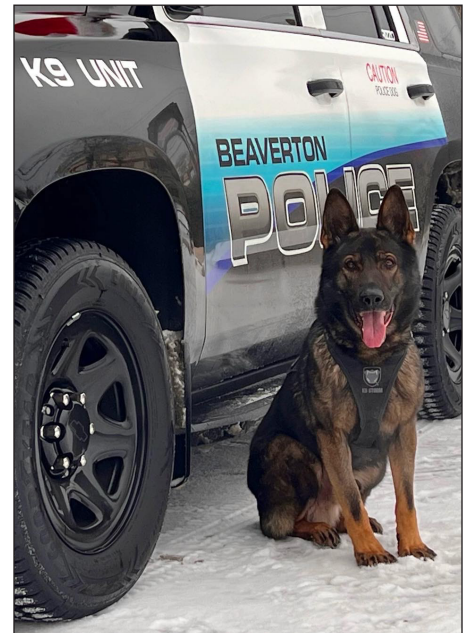

Making the roads safe by removing impaired drivers from the road is a high priority for the police department. Members of Patrol and the Traffic Team made 519 DUII arrests in 2022.

## K-9 UNIT

The K-9 Unit provides support to all divisions within the department as well as outside agencies by conducting building searches, article/evidentiary searches, tracking suspects who have fled on foot, detection of narcotics, and helping to locate lost/missing persons. K-9s have a keen sense of smell vastly superior to humans and are invaluable in locating persons and property.

The Unit consists of four officers and four K-9s. Two of these are exclusively patrol teams and two are cross-trained as patrol and narcotics detection teams. In 2022, the teams conducted 386 security checks and 149 tracks (down from 228 in 2021 due to officer injuries). The tracks resulted in 93 individuals being located (suspects and missing persons). The K-9 teams averaged a capture/assist rate of 62 percent in 2022, a rate well above the national average of 30 percent.

K-9s are a favorite feature at community events. In 2022, members of the K-9 Unit engaged with our community members in various small-scale events, Community Academy, and the First Responders' event at SW Bible Church. The K-9 team of Officer Jared Lutu and K-9 Toa won first place in a competitive K-9 event.

## BICYCLE TEAM

The department's four-member Bicycle Team focuses on providing proactive solutions to problems in the city's core area, light rail transit stations, parks, schools, etc., and helps address livability issues affecting Beaverton. The Team also serves an essential role in addressing long-term camping issues by providing outreach, resources, and enforcement when needed. In 2022, members of the Bicycle Team made 546 contacts with individuals experiencing homelessness and provided assistance and resources to 337 individuals who accepted the help.

## COMMUNITY SERVICE OFFICERS

Community Service Officers (CSOs) provide prisoner transport and general security throughout municipal court sessions. CSOs perform parking enforcement duties, enforce city codes related to abandoned vehicles, as well as a wide variety of police-related operational support.

## TRAFFIC SAFETY TEAM

The Traffic Team participates in special enforcement details targeting such violations as speeding, failure to use seatbelts, distracted driving, and driving while impaired. BPD officers conducted 304 traffic details in 2022, many of which were funded by Oregon Department of Transportation (ODOT) grants. BPD continued to work with ODOT in helping protect workers during the construction phases of the Oregon 217 Auxiliary Lanes Project.

## CRASH ANALYSIS RECONSTRUCTION TEAM

Crash Analysis Reconstruction Team (CART) members are specially trained officers from various law enforcement agencies in Washington County and troopers from the Oregon State Police. In 2022, BPD contributed four members to this 27-member interagency team, whose primary mission is to investigate and reconstruct motor vehicle crashes related to potential felony charges. Cart responded to 62 incidents in Washington County, 11 of which were in Beaverton.

## PHOTO ENFORCEMENT

BPD strives to increase the safety of community members on Beaverton's roads and to decrease the incidents of speeding and red-light violations. Photo radar and photo intersection enforcement technology continues to deter speed and red-light violations. Photo radar vans are deployed throughout the city and intersection speed enforcement and red-light camera equipment is installed at four intersections.

# SERVICES DIVISION

## YOUTH SERVICES OFFICERS

In 2022, a consultant was hired by the City of Beaverton and Beaverton School District to conduct a comprehensive review of the Beaverton School District's School Resource Officer program. The review was co-developed by representatives from the Beaverton School Board and the Beaverton City Council. The department will implement changes recommended by the Beaverton School District and will transition from a School Resource Officer program to a Youth Services Officer program in 2023.

The Youth Services Officer (YSO) team continues to provide a high level of service to 30 public elementary, middle, high, and alternative schools in Beaverton. YSOs assume many roles and are committed to supporting kids, not only in their education, but also in other aspects shaping their lives. YSOs proactively help identify youth in danger of becoming justice involved and work with the schools to get the kids and their families connected with the appropriate resources for a successful future.

In 2022, officers taught students the topics of vehicle code and criminal laws, as well as physics (practical application of crash investigations), internet safety to staff and parents, and standard response protocols (lockout, lockdown, shelter, and evacuate) to school staff. YSOs provide input on school emergency management initiatives and participate in student threat assessments to mitigate potential harm to staff and students. The Beaverton School District funds 1 FTE YSO position.

## COMMUNITY ENGAGEMENT

The Community Engagement Team is the central point for many of the department's services, programs, and outreach efforts described in this section. The Community Engagement Team continued to reach out to individuals and businesses to broaden community relationships and provide crime prevention information. BPD's use of social media continues to be a viable public information and engagement platform for the department. In 2022, BPD's Facebook page had 24,162 active followers and 24,675 "Likes." BPD also has 21,779 Twitter followers (up 1,351 followers from 2021), and 5,405 Instagram followers.

Photos and information tweeted by officers are well-received by the community and provide a positive communication tool. Connecting through Nextdoor is also popular with our community; more than 35,084 households in Beaverton have an account with Nextdoor (up 2,798 accounts from 2021). In 2022, the functions of the Public Information Officer, including social media, moved under the Office of the Chief Division.

In 2022, BPD continued efforts to specifically engage and build long-term relationships with adult and youth Black, Indigenous, and People of Color (BIPOC) community members. Outreach included a new approach to the annual National Night Out event. Instead of one location, the event was held at three parks in various geographic locations throughout the city, including Greenway Park, Cedar Hills Park, and Wonderland Park. The Department also partnered with Latino school parent groups to meet and share resources. Officers attended several monthly meetings and provided safety awareness on topics, such as risks of Fentanyl in the community.

## Volunteers

The department benefits from police volunteers and victim advocates who are eager to donate their time, knowledge, compassion, and skills to assist with department programs such as victim services, administrative functions, and special department/community events. Making effective use of the talents and resources available within our community is prudent and increases understanding and trust between police and community members.

The Victim Advocate program was relaunched in 2022 and two academies were conducted. Graduates included two advocates who speak Spanish and one who speaks Slavic languages, which will help BPD better serve crime victims in our community. Except for the Victim Advocate program, most police volunteer programs were paused in 2022 due to fewer in-person activities.

## Armed Forces Banner Program

The Armed Forces Banner program was established to honor and recognize Beaverton's active-duty military personnel. More than 214 banners have been placed along major Beaverton roadways to honor active-duty military personnel of the United States Armed Forces. The banners include the service person's name and military branch.

## Cadet Program

Police cadets are volunteers ages 15-20 and observe activities that are typical of a patrol officer's duties. The goal of the cadet and reserve programs is to develop a pool of individuals interested in a career in law enforcement, as well as candidates for future police officer vacancies in the department. Reflecting the success of the Cadet program, three police officers hired in 2022 were former BPD cadets. Three additional cadets joined the department in 2022.

## Coffee with a Cop

Coffee with a Cop is a national initiative with a goal of building trust between community members and police officers, one cup of coffee at a time. Police officers and community members come together in an informal setting, such as a local coffee shop, to discuss community issues, build relationships, and drink coffee. The friendly atmosphere helps remove barriers and allows for relaxed one-on-one interactions, leading to lasting connections and enhanced relationships. BPD partnered with local businesses and held four events in 2022.

### Community Academies

The Community Academy's 12-week program gives Beaverton-area participants first-hand information about how their police department works. Experienced department members teach residents about fraud, street gangs, narcotics, traffic crash investigations, community policing, firearms, K-9 teams, and more. Two academies were conducted in 2022.

### Shop with a Cop

Beaverton police officers teamed up with 33 kids from low-income and/or homeless families for back-to-school shopping at BPD's annual "Shop with a Cop" event. Officers paired up with the kids and spent the morning together shopping at Beaverton Fred Meyer. For some kids, it was the first time they purchased new clothes or owned a brand-new pair of shoes.

The event provides a unique opportunity for BPD and police to make a positive connection with youth and the community.

### Student Academies

The Student Academy is a popular program that gives students the opportunity to learn about various areas of law enforcement. During this one-day event offered at all the school district's high schools, Beaverton police officers from criminal investigations, patrol, and training teach students about vehicle and DUI Law, use of force, and investigations.

The summer Advanced Student Academy is unique in that it offers a police academy atmosphere and participants earn continuing educational credits for completing 20 hours of instruction. Due to the pending review of the SRO program, the student academies were paused in 2022.

## HONOR GUARD

The members of the Honor Guard represent the department at various functions, including funerals, community events, and special ceremonies. Officers receive specialized drill and ceremony training. Honor guard members participated in 10 events in 2022.

## TRAINING

The Training Team is responsible for providing mandatory and supplemental training to department personnel to develop and enhance those skills and decision-making abilities necessary for the successful delivery of police services. The Training Team maintains regular and reserve police officers' training records and certification standards, assists in the department's hiring process, and facilitates the Field Training and Evaluation program for new officers. In addition to conducting mandatory in-service and firearms trainings, BPD serves as a regional training partner.

## Reserve Officer Program

The BPD Reserve Unit is a team of dedicated volunteer officers who donate their time to the city and the community in a variety of roles to assist the police department. Individuals selected and hired as reserve police officers receive extensive in-house academy training and spend time with full-time officers for additional field training upon graduation. Many reserve officers are eventually hired as regular officers. Reserve officers assist with community events such as National Night Out, community parades, and more. In addition, they provide services at high school sporting events, shopping malls during the holiday season, and the Beaverton Farmers' Market. Reserve officers provide a valuable service and increase the police department's capacity to serve our community.

## POLICE RECORDS

Police Records operates 24/7 and serves our community by assisting residents in reporting crime, lost and found items, reporting crashes to the DMV, and providing referrals for food and shelter assistance. The team also responds to records requests and provides support to the Patrol Division.

## LOGISTICS

Logistics is responsible for ensuring department members are readily equipped with the proper equipment and supplies they need to serve our community. The logistics team helps to maintain officer supplies and equipment, vehicle equipment, and uniforms for the department's operations.

### Alarm Program

The city's Alarm Ordinance is administered through the BPD. While alarm systems are a good crime prevention tool and the BPD encourages their use, responding to false alarms takes time away from officers' other duties. The Alarm program seeks to reduce the number of false alarms through education and assistance.

**POLICE LINE DO NOT**

# INVESTIGATIONS DIVISION

## CRIMINAL INVESTIGATIONS - PERSON AND PROPERTY CRIMES

The main focus of the Criminal Investigations Division (CID) is to investigate Group A Offenses, which include arson, assault (aggravated, simple, intimidation), bribery, burglary (residential and business), counterfeiting/ forgery, vandalism, drug/narcotic offenses, embezzlement, extortion/blackmail, fraud, gambling, homicide, kidnapping/abduction, larceny/theft, motor vehicle theft, pornography/obscene material, prostitution, robbery, sex offenses (forcible and non-forcible), stolen property offenses, and weapon law violations.

CID also investigates Group B Offenses, which include, but are not limited to bad checks, non-violent family offenses, invasion of privacy, missing persons, and runaways. CID conducted 405 investigations in 2022. The Division cleared 50 percent of cases that involved Group A Offenses and 86 percent of cases that involved Group B Offenses.

In 2022, detectives conducted an investigation involving stolen catalytic converters. The case involved more than 40 search warrants served at eight different locations and resulted in the seizure of approximately 3,000 stolen catalytic converters, numerous phones, and computers. The investigation ultimately led to the indictments of 14 individuals. The collective effort of the law enforcement agencies ultimately led to the seizure of stolen property and move toward prosecution of the suspects.

CID works collaboratively with the Washington County Department of Health and Human Services (HHS) and reviewed 1,315 potential child abuse case referrals in 2022 (compared to 1,057 in 2021). CID will continue to actively pursue, apprehend, and prosecute those responsible for such crimes to ensure the safety of our youth.

### Fraud and Identity Theft

Fraud and identity theft crimes continue to be a challenge for Beaverton and surrounding jurisdictions. BPD utilizes detective resources to combat these crimes through thorough investigations and information sharing with other law enforcement agencies, financial institutions, and retail businesses.

Multiple detectives are also assigned to investigate elder abuse and financial fraud. CID also utilizes a detective to gather, investigate, and disseminate criminal investigative information to help mitigate threats to the community.

### Crime Analysis

The crime analyst tracks criminal patterns and trends to help more accurately fight crime, as well as supporting CID and the Patrol Division. Statistics, neighborhood maps, and crime maps are regularly updated on the department's website.

### High Tech/Cyber Crime

Keeping pace with the advances in technology and the ability to retrieve and collect the high volume of digital evidence continue to pose challenges for the department. CID utilizes computer forensic technology to retrieve digital evidence from cellular phones. Two detectives are trained in the use of this technology, which is an essential tool for successful investigations.

### Family Violence Unit

In 2022, CID formed a new Family Violence Unit (FVU) as part of a department reorganization. The goal of the FVU is to provide comprehensive and coordinated victim support and criminal justice investigation and prosecution services to people experiencing domestic violence. FVU is staffed by a highly experienced team, including one detective, a victim services coordinator, and on-call victim advocate volunteers.

BPD continues to collaborate with other Washington County agencies at the Family Justice Center (FJC) in Beaverton. FJC provides services and resources to victims of domestic violence, such as restraining orders, legal advice, counseling, and support. BPD continued to assign 1 FTE police officer in 2022.

Property and Evidence is responsible for the handling, storage, safekeeping, and disposal of confiscated evidence and property. The property specialists are responsible for submitting DNA, narcotics, and fingerprint evidence to the Oregon State crime labs and maintaining inventories of all high-risk items such as narcotics, weapons, and currency. The team processed 11,125 items in 2022.

Professional Standards is responsible for ensuring the safe, effective, and efficient operations of the department, including objective investigations of alleged police misconduct. Through reviews, audits, and assessments of the department's activities, potential issues and trends related to performance, procedure, and/or conduct are identified and addressed in individual employees, employee groups, and the department.

# INTERAGENCY TEAMS

# INTERAGENCY TEAMS

## CHILD EXPLOITATION TASK FORCE

The FBI's Child Exploitation Task Force consists of local, state, and federal law enforcement agencies and victim-based advocacy groups that combine resources and expertise on human trafficking. The Task Force evaluates the nature and extent of human trafficking in our area, conducts investigations, and develops intelligence for potential cases. In the Metropolitan area, the main issue seen by law enforcement are minors who are forced into human trafficking by means of prostitution. CID conducted undercover operations in 2022 resulting in arrests of offenses related to child exploitation.

## MAJOR CRIMES TEAM

Beaverton contributes six members (collateral duties) to this 43-member team whose function is to investigate murders, officer-involved shootings, in-custody deaths, and other major crimes in Washington County. The Team is made up of sergeants and detectives from Washington County law enforcement agencies, members of the District Attorney's Office, experts from the Washington County Forensics Laboratory and the Oregon State Forensics Unit, and staff from the Washington County Consolidated Communications Agency (WCCCA). In 2022, there were 10 activations in Washington County, including one in Beaverton.

INTERAGENCY TEAMS

## MENTAL HEALTH RESPONSE TEAM

BPD partners with the Washington County Mental Health Response Team (MHRT). The MHRT pairs law enforcement officers with mental health clinicians to respond to calls for service involving a behavior health component. MHRT provides long term solutions and resources for individuals experiencing mental health illness, and ultimately helps reduce officer time and resources spent on repeat calls for service involving individual community members. BPD dedicates 1 FTE police officer to the team and funds the salary of a mental health clinician employed by Lifeworks NW. In 2022, BPD's MHRT officer and assigned clinician responded to approximately 900 calls for service in Washington County, which were related to persons experiencing a mental health crisis.

## TACTICAL NEGOTIATIONS TEAM

Members of the Washington County Tactical Negotiations Team (includes 26 total members and five collateral assignments from BPD) are called upon to handle incidents that pose a significant risk to the safety of others, such as incidents involving barricaded individuals, high risk search warrants, and arrest warrants. Team members train extensively, which allows the TNT to respond safely and effectively to complex incidents. In 2022, TNT responded to 122 incidents in Washington County, 17 of which were in Beaverton.

## CRISIS NEGOTIATIONS UNIT

BPD contributes two officers to the 30-member interagency Crisis Negotiation Unit (CNU). The CNU's primary goal is to create peaceful resolutions to extremely volatile situations. Typical calls include a barricaded individual, someone threatening harm to themselves or others, hostage situations, and various other crisis events that threaten the safety of the community. Highly trained crisis negotiators work to establish ongoing dialog and rapport with the person or persons involved in the incident and work with mental health experts to defuse the situation. In 2022, there were 67 callouts in Washington County.

## TRIMET

BPD partners with TriMet to provide police services in the region. BPD contributes one sergeant and three officers to the Transit division; funding is reimbursed by TriMet for all 4 FTEs. The BPD team is assigned to the westside precinct. This precinct of the transit police continued to address community issues and transit violations occurring on light rail trains, buses, and TriMet properties west of the Washington Park/Oregon Zoo Light Rail Max Station, as well as the Westside Express Service (WES) commuter rail service.

## WESTSIDE INTERAGENCY NARCOTICS TEAM

The Westside Interagency Narcotics (WIN) Team actively targets persons and organizations involved in mid to high level drug trafficking and works to reduce the availability of illicit controlled substances that are used, sold, transported, or otherwise distributed in Washington County. BPD has one sergeant and one detective assigned to the WIN Team. In addition to their investigative efforts, the team continues to gather and share information with other local, state, and national drug enforcement teams as well as the Patrol Division.

INTERAGENCY TEAMS

# OFFICE OF THE CHIEF DIVISION

The Office of the Chief Division is dedicated to providing the highest quality service and continually evaluates the department's structure, strategies, and programs to manage change related to community growth, crime trends, and the evolving role of police. The Office of the Chief also includes the functions of public information and community engagement, and finance and administration. In 2022, Stacy Jepson was appointed as Beaverton's Chief of Police by City Manager Jenny Haruyama.

## DIVERSITY, EQUITY, AND INCLUSION

BPD continues its commitment to building trust and rapport with our community. BPD aspires to accomplish this by increasing transparency, creating opportunities for meaningful conversations with our community, and expanding our long-term relationships with BIPOC communities.

To increase transparency, police activity logs were posted on the public website. The department also developed and launched a police data dashboard on the website in 2021 that includes information on calls for service, staffing, budget, complaints, use of force, officer-initiated traffic and pedestrian stops, and bias-based policing. BPD has assigned liaisons on the Human Rights Advisory Committee and the Diversity Advisory Board.

## EMPLOYEE HEALTH AND WELLNESS

BPD is committed to the good health and well-being of its members. The police department worked with a health management consultant to design a cardiac health and wellness program for officers to help identify high risk individuals and prevent early onset heart disease. The comprehensive program involves medical testing and a personalized diet and exercise program to help lower health risks. A total of 88 individuals elected to participate in the program in 2022.

## CHAPLAIN PROGRAM

The Chaplain program is designed to provide emotional, non-sectarian spiritual and professional support to department members, their families, and the community in emergency situations, times of crisis or as otherwise needed. Chaplains contributed more than 2,096 hours in 2022.

## ACCREDITED

The BPD is accredited through the Oregon Accreditation Alliance (OAA). The Department has successfully maintained its accredited status since 1995 and is evaluated every three years. The next assessment will be conducted in 2024.

# EXCEEDING EXPECTATIONS

The department is fortunate to have talented individuals committed to serving the community members of Beaverton. Behind the scenes are administrative and non-sworn support staff ensuring smooth operation of the agency. On a daily basis, our officers are out on the streets protecting the community and making a difference in people’s lives. The following personnel were recognized for their work in 2022:

## MEDAL OF VALOR

Officer Nicholas Jacobs

## LIFESAVING MEDAL

Officer Michael Boliek  
 Officer Nicholas Jacobs (2)  
 Officer Jared Lutu  
 Officer Jacob Severson  
 Wash Co Sheriff’s Office Det. Jason McLaughlin

## CHIEF’S AWARD

Detective Tom Stewart

## DISTINGUISHED SERVICE MEDAL

Sergeant Mark Groshong  
 Detective Maggie Brown  
 Detective Mat Groshong  
 Detective Chad Opitz  
 Detective Pat McNair

## OFFICER OF THE YEAR

Sergeant Ken Feist

## UNIT COMMENDATION

“Hello Kitty” – Lieutenant Misha Sashayvich,  
 Detectives Patrick Antoine, Jason Buelt, Sean Connor, Mat Groshong, Cindy Herring, Pat McNair,  
 Tom Stewart, Officers Tony Bastinelli, Philip Dimalanta, Greg Schapp, and Ben Stubbs

## PROFESSIONAL STAFF MEMBER OF THE YEAR

Office Support Supervisor Joni Gutreece

## COMMUNITY MEMBER COMMENDATION

Eric Bjorklund  
 Daniel Chacon  
 Dajana Cherry  
 Deja Cherry  
 Devon Cherry  
 George Cherry

| Avg Response time for Priority 1 CFS | 3.67 Minutes |
| Total Arrests, Part 1, 2 & 3 Crimes  | 3,743        |

# SUPPORTING OUR COMMUNITY & ACTS OF KINDNESS

Each year BPD members donate countless hours of their own time in support of their favorite charity and/or organization(s). In 2022, members once again raised funds through a silent auction, including many items which were handcrafted and/or donated by employees.

BPD continued their involvement with many worthy causes, such as providing 33 kids in need with back-to-school clothes and supplies at the annual Shop with a Cop event. Employees also donated wish list items for the holiday “giving tree” program, and the wrapped gifts and food boxes were delivered to more than 50 families, including 83 kids.

Out of the spotlight and public view are officers’ acts of kindness throughout the year helping someone in need with a pair of shoes, a jacket, a hot cup of coffee, or a Christmas tree to family without one, paid out of their own pocket.

A Ladies in Blue Clothing Closet event was held in October 2022. The Ladies in Blue Clothing Closet was founded in 2019 by a group of female Beaverton police officers looking to give back to their communities. The clothing closet has grown from an at home clothing swap to a full-blown free clothing event benefiting various local charities.

In October, BPD wore commemorative pink patches in support of Breast Cancer Awareness Month and also distributed and wore purple ribbons in support of Domestic Violence Awareness Month. The police department also promoted the causes through the display of giant pink and purple ribbons on patrol vehicles.

BPD is fortunate to have caring and dedicated individuals who generously contribute their time and resources to make our community a better place.
